ART GALLERY OF SOUTH AUSTRALIA, NORTH TERRACE ADELAIDE

(SATELLITE MEETING TO ASOHNS 2012)

Run under the auspices of the Australasian Academy of Facial Plastic Surgery (AAFPS), this is a two-day mini-symposium, focusing on all aspects of aesthetic/functional Rhinoplasty. These range from open-structure Septoplasty, through nasal tip/nasal valve surgery and total nasal reconstruction.

The first half-day will also cover facial assessment and various sessions on Otoplasty. Numbers are strictly limited, providing all delegates intimate interaction/discussion opportunity with the faculty.
