

COSMETIC DERMATOLOGY TITLES

Textbook for Cosmetic Medicine Examination

Advanced Techniques in Dermatologic Surgery

Edited by Mitchel Goldman and Robert Weiss Compiled by seasoned experts in the field, this reference provides clear guidance on the basic principles, procedures, and complications involved in advanced dermatologic surgery—offering detailed coverage of filling substances, fat transfer techniques, and the latest laser technologies.

Hardcover, ISBN 9780824754051. Published 2006, 424 pages Informa Healthcare

Cosmetic Bootcamp Primer: Comprehensive Aesthetic Management

Edited by Kenneth Beer, Wendy Robert, Mary Lupo and Vic Narukar This succinct but comprehensive textbook comes from a team with extensive experience in training up newcomers to the field of esthetic practice. The main part of this text reviews the essentials of the clinical treatments themselves, while the remaining parts detail how a practice needs to be run for optimum impact and efficiency, so that even seasoned practitioners will find much to help improve their daily office operation and to help them compete effectively.

Hardcover, ISBN 9781841846989. Published 2011, 304 pages Informa Healthcare
